

Change to Swimming

Dear Parents/Caregivers

11 April 2017

Due to unforeseen circumstances, we need to swap the first two swimming groups. **Rooms 3, 4 and 13 will now be swimming on a Monday** and **Rooms 8, 11 and 16 on a Wednesday**. There is no change for Rooms 1, 10 and 14.

School Swimming is an essential component of the Health and PE programme and starts in **Week 1** of next term. Students will be attending nine swimming and water activity sessions at Moana Pool. Sessions are at different times/days for different classes and a timetable is included below:

The total subsidised cost per child for the nine Moana Pool sessions is a total of \$38pp. This includes admission, lessons and transport to and from the pool. Please discuss time payment options with the office if you would like to.

Students will need to bring their togs, towels and goggles (essential) to school on swimming days. **All students present at school are expected to participate in swimming. The only non-swimmers we can cater for are children injured, with a medical certificate. If your child is unwell and therefore unable to participate in the school programme, then we ask that you organise care for them.**

As per our EOTC policy we require at least one adult to every ten children and so we do require parent/grandparent/caregiver (...any available adult!) assistance. You do not need to get in the water, but rather watch swimmers in the wave pool and alert the life guards to any children in need of assistance. Please contact the office if you can help or you can book yourself in via the link on the DNI website, Sports page for Swimming Adult Helpers 2017.

If you have any questions please feel free to contact us either by phone or email.
